All information is for the purpose of educating attendees of relevant legal and ethical information, and that no legal advice will be given nor shall be construed.

With Melissa L. Olive, Ph.D., BCBA-D

This workshop will focus on the Individuals with Disabilities Education Improvement Act (IDEIA) and the issues practicing behavior analysts should be apprised of.

Participants will learn federal requirements for conducting FBAs, writing BIPs, understanding PBS as used in the IDEIA, and the requirements for IEEs.
